

MISSION TRIP: Costa Rica July 18th - August 2nd

Dear friends and family. This summer members of the Bible Church of Lake Shore Youth Group accompanied by members of other neighboring churches will be embarking on a mission trip to Costa Rica.

This trip has been designed to deliver a true cross cultural experience. From **July 18th through August 2nd** we will be working with groups such as “**Conexion**,” **L.A.M.** (Latin American Missions), **Young Life**, and other youth groups, Churches and public schools in Costa Rica.

Conexion is a charitable foundation which seeks to detect extreme needs among poverty stricken peoples, and to meet those needs in the most rapid and effective way possible, thus demonstrating the true love of God.

L.A.M: Latin America Mission is a unique tool in God's ministry plan for the world. This international community of men and women works to encourage, assist and participate with the Latin Church in building His Church in the Latin world and beyond. All LAM missionaries promote evangelism. All LAM missionaries work under local grassroots ministries. Beyond these two foundations, LAM is known principally for creative innovation in international ministry.
